

SOCK-IT TO US!

Fundraiser for our Welcome Home Kits for formerly incarcerated women in Wisconsin.

Every month women are released from the Wisconsin Women's Correctional System to our communities. Many of the women come out with little but the clothes on their backs. Our **Welcome Home Kits** provide several basic personal essentials such as soap, lotion, toothbrush/paste, deodorant, and **SOCKS**. Kits are shipped statewide. Now that cold weather is coming, we put multiple pairs in each box. *We work with women on a supportive path home.*

Your monetary donations make sure that our kits are fully stocked, and that warm socks are available throughout the cold winter months. You can donate on our website at www.thedemeterfoundation.com or send a check to our address. If you would like to donate new socks directly, please contact us at 608-298-3563 or tdfwi@live.com
